LOOSE CHANGE? NO PROBLEM

If you take cash back or deposit to any other account a fee of 3% will apply for up to \$ 300.00 and over \$300.00 a 2% fee will apply. These fees are in place to offset the expense of the machine. Why are we charging the Fee?

- The coin counter was purchased for the ease of depositing coins for our members.
- The machine and maintenance are an expense to the credit union-YOU
- Our courier that takes money to the Federal Reserve charges extra to carry coin.

We will no longer have coin wrappers available.
